NOTICE

Department of English **FEED -O-WING**

The Enlightened Echelon of the Department of English will be collaborating with its social partner *All About Happiness* in its ongoing programme FEED-O-WING, from 1 May 2021 till 21 May 2021 to feed the thirsty birds in the dire summer heat. As a part of the initiative, participants will also be encouraged to create pots for feeding the birds to show their creative abilities as well.

Students can contribute by making their own feeders and water pots and placing them on their terraces, balconies, gardens, verandas, or any other suitable place in their homes to give some respite to the birds in such heat by satiating their thirst and hunger for **at least 7 days**, take a picture and upload it through a google form that will be circulated in the class groups and they will subsequently get a certificate for the same. We would encourage the students to continue till 21 days so that a good habit is inculcated, and we continue to do our bit in helping the birds around us who cheer us with their songs!
